

FELLOWSHIP FLY-IN
SATURDAY APRIL 25th
9am TILL DARK

Hello everyone. The weather for this Saturday's fly-in is looking great, so get ready and let's have the best fly-in we've ever had at M.P.R.C.F.

Registration will start at 8am, and the pilots meeting will be at 9am. The flying starts right after the pilots meeting. There will be a \$10 landing fee. Half of the money collected for landing fees will be given out as cash prizes.

The association has restricted this fly-in to paid-up members of clubs that belong to the association. If any M.P.R.C.F. member hasn't paid his/her 2009 membership dues yet, Dan Wandell will be taking dues on Saturday and issuing membership cards. Your A.M.A. must be paid for 2009 so be sure and bring your card. If you don't have your 2009 A.M.A. card, Dan will be able to check online and confirm it's been paid.

Myron will be doing the cooking and the menu will be great. He will have hamburgers, hot dogs, polish sausage (with grilled onions and peppers) and french fries. There will be cold drinks, chips and brownies.

This fly-in is open to all types of aircraft: electrics, giant scale, jets (including turbines) and helicopters. Bring whatever you have and let's fly and have a great time.

The association established this Fellowship Fly-in as a way to promote relations between clubs in the middle TN area, and as a way for members to get to know each other. I've been to several of these fly-ins and I've had a great time every time. If you come out you won't be disappointed, and you'll have a good time. I'm very glad the association has given us a chance to host this event and spotlight our club. We've done a lot of work to get ready, and I want to thank everyone that helped. The work is done the weather will be nice, so let's go flying.

*Thanks Jim Powers
President M.P.R.C.F.*

**YES, THIS SATURDAY-----:
"GONE FLYING"**
